> Ross'an Prayer for Victory. The Official Messenger of St. Peters-

By virture of an imperial ukase to the effect that during the present trials of our dear country more ardent prayers should be offered for the victory of the Russian troops, who are worshipers of Christ, over a cruel enemy, full of guile, the holy synod pronounces the time ripe for special prayers to be offered in all of the churches af the empire on Sundays and holidays after mass, beseeching that heavenly aid should be sent to the Russian army, which is sacrificing its life for its faith, its Emperor, and its country for long life for the victorious troops, and for the repose of the souls of the warriors who fall.

The following prayer has been special

ly ordained:
Although unworthy, we implore Thee who art strong in battle, for aid, and humbly beseech Thee to accept our weapons in Thy cause, to give Thy Christloving army victory and to permit it to subdue the enemy.

Send from on high Thy hand and touch the hearts of the enemy, so that they shall make supplication to Thee, the God of peace who loves His creatures. ly ordained:

Strengthen us with Thy might. Defender of the orthodox faith, send Thy arrows to corfound the enemy. Strike them as with lightning and give them into the hands of Thy faithful troops. Thou who hirkened, to Moses, bless the Emperor's doings multiply his glory and confirm his empire. By Thy almighty hand preserve his army. Send Thy angel to forti'y his troops and give

hem salvation. Send peace upon us. May Thy in-visible finger defend Thy servants, show them the right path, forgive them their s'ns and bestow upon them the crown

Cr at the Emperor peaceful life and wel-being, the fulfil'ment of his desires and a conquest of his enemies.

The prayer also appeals to the Virgin, and concludes by beseeching eternal rest for the dead and for all those who have
